

AIR HANDLING & COMFORT SYSTEMS

Preconfigured DOAS air handling solutions

Custom DX & humidity control AHUs

Standard & custom gas fired air handling

Custom gas fired & energy recovery air handling

Heating, ventilation & evaporative cooling products

A higher standard in custom air handling

Electric duct heaters & controls

Energy efficient infrared heaters & gas fired unit heaters

Semi-Custom AHU's

Variable refrigerant flow (VRF) and single split heat pumps

AIR DISTRIBUTION & CONTROL

Grilles, Registers, Diffusers, Terminal Units & Fan Coils

High performance architectural diffusers

Engineered fabric ducting

Louvres & dampers

ULC listed damper and air control products

Wall boxes, lint traps & custom metal accessories

Control dampers & Fire dampers

FANS & VENTILATORS

Commercial & industrial fans

Corrosion resistant (FRP) commercial and industrial blowers

Industrial Large HVLS Fans

Plastic & SS fans for highly corrosive environments

EnergyStar ceiling & inline fans

KITCHEN VENTILATION SYSTEMS

ULC listed kitchen hoods,
controls and ecology units

INDOOR AIR QUALITY

ASHRAE 62.1 compliant air
scrubber

Air filters & filtration
solutions

Bi-Polar Ionization

HEAT & ENERGY RECOVERY

Packaged heat and energy
recovery ventilators

SOUND ATTENUATION

Sound Attenuation

SOURCE CAPTURE & ENGINEERED DUCT

Vehicle and source
capture solutions

Pre-Fabricated Specialty
Ductwork

HYDRONICS

Robust wet heat products

Fluid Coolers & Custom
Coils

CONTROLS

Hazardous gas monitoring
systems

Damper actuators and
control valves

HUMIDITY CONTROL

Hybrid dehumidification
solutions
