

AIR HANDLING & COMFORT SYSTEMS

Preconfigured DOAS air handling solutions

Custom DX & humidity control AHUs

Standard & custom gas fired air handling

Custom gas fired & energy recovery air handling

Modular air handlers, blower coil units and chilled beams

A higher standard in custom air handling

Heating, ventilation and evaporative cooling products

Energy efficient infrared heaters

AIR DISTRIBUTION & CONTROL

Air distribution and terminal units

High performance architectural diffusers

Engineered fabric ducting

Louvres & dampers

ULC listed damper and air control products

Wall boxes, lint traps & custom metal accessories

FANS & VENTILATORS

Commercial & industrial fans

Corrosion resistant (FRP) commercial and industrial blowers

EnergyStar ceiling & inline fans

Plastic & SS fans for highly corrosive environments

Industrial Large HVLS Fans

KITCHEN VENTILATION SYSTEMS

ULC listed kitchen hoods,
controls and ecology units

ULC listed grease duct

INDOOR AIR QUALITY

ASHRAE 62.1 compliant air
scrubber

Air filters & filtration
solutions

HEAT & ENERGY RECOVERY

Packaged heat & energy
recovery ventilators

Commercial heat and energy
recovery solutions

Residential energy recovery

CONTROLS

Hazardous gas monitoring
systems

Damper actuators and
control valves

SOURCE CAPTURE

Vehicle and source
capture solutions

HYDRONICS

Robust wet heat products

SOUND ATTENUATION

Silencers & sound
attenuation

HUMIDITY CONTROL

Hybrid dehumidification
solutions
