

AIR HANDLING & COMFORT SYSTEMS

Preconfigured DOAS air handling solutions

Custom DX & humidity control AHUs

Gas fired air handling & regenerative core energy recovery

Custom gas fired & energy recovery air handling

Variable refrigerant flow (VRF) and single split heat pumps

Modular air handlers, blower coil units and chilled beams

Custom air handling

Energy efficient infrared heaters

Heating, ventilation and evaporative cooling products

AIR DISTRIBUTION & CONTROL

Air distribution and terminal units

High performance architectural diffusers

Engineered fabric ducting

Louvres & dampers

ULC listed damper and air control products

Wall boxes, lint traps & custom metal accessories

FANS & VENTILATORS

Commerical & industrial fans

Corrosion resistant (FRP) commercial and industrial blowers

EnergyStar ceiling & inline fans

Plastic & SS fans for highly corrosive environments

Bathroom & inline fans

Industrial Large HVLS Fans

KITCHEN VENTILATION SYSTEMS

ULC listed kitchen hoods, controls and ecology units

ULC listed grease duct

INDOOR AIR QUALITY

ASHRAE 62.1 compliant air scrubber

Air filters & filtration solutions

HUMIDITY CONTROL

Hybrid dehumidification solutions

Humidification solutions

Dehumidification for pool environments

HYDRONICS

Licon Convectors

Radiators & Convectors

HEAT & ENERGY RECOVERY

Packaged heat and energy recovery ventilators

Residential energy recovery

CONTROLS

Hazardous gas monitoring systems

Damper actuators and control valves

SOURCE CAPTURE

Vehicle and source capture solutions

SOUND ATTENUATION

Sound Attenuation

VENTING & ENGINEERED DUCT

Chimney and venting systems
