

O'DELL
HVAC GROUP

O'Dell Line Card
London

AIR HANDLING & COMFORT SYSTEMS

Preconfigured DOAS air handling solutions

Gas fired air handling & regenerative core energy recovery

Variable refrigerant flow (VRF) and single split heat pumps

Custom air handling

Heating, ventilation and evaporative cooling products

Custom DX & humidity control AHUs

Custom gas fired & energy recovery air handling

Modular air handlers, blower coil units and chilled beams

Energy efficient infrared heaters

AIR DISTRIBUTION & CONTROL

Air distribution and terminal units

High performance architectural diffusers

Engineered fabric ducting

Louvres & dampers

ULC listed damper and air control products

Wall boxes, lint traps & custom metal accessories

FANS & VENTILATORS

Commercial & industrial fans

Plastic & SS fans for highly corrosive environments

EnergyStar ceiling & inline fans

Industrial Large HVLS Fans

Bathroom & inline fans

KITCHEN VENTILATION SYSTEMS

ULC listed kitchen hoods,
controls and ecology units

ULC listed grease duct

INDOOR AIR QUALITY

ASHRAE 62.1 compliant air
scrubber

Air filters & filtration
solutions

HUMIDITY CONTROL

Hybrid dehumidification
solutions

Humidification solutions

Dehumidification for pool
environments

SOUND ATTENUATION

Silencers & sound
attenuation

HYDRONICS

Licon Convector

Radiators & Convector

HEAT & ENERGY RECOVERY

Packaged heat and energy
recovery ventilators

Residential energy
recovery

CONTROLS

Hazardous gas monitoring
systems

Damper actuators and
control valves

VENTING & ENGINEERED DUCT

Chimney and venting
systems
